List of Premiums.

WITH THE
Rules and Regulations,
OF THE
FIFTEENTH ANNUAL FAIR
OF THE
Monroe County Agricultural Society,
TO BE HELD AT
WOODSFIELD,
OCTOBER 3, 4 and 5, 1866.

Rules and Regulations of the Monroe County Agricultural Society.

1. Upon the payment of \$1, any person can become a member of the Monroe County Agricultural Society for one year. Said membership will admit all members, and their families under 21 years of age, during the continuance of the Fair, and none but members (or their families) shall be allowed to compete for premiums.

2. All kinds of stock, mechanic arts, farming utensils, dairy products, paintings, needles or other fancy work of other counties, are allowed to compete for premiums on an equal footing with Monroe County.

3. Any article offered for competition or a premium must be owned at the time, or manufactured by the person so offering, or a member of his family under 21 years of age.

4. All articles are eligible to compete for premiums.

5. Discretionary premiums will be awarded on meritorious articles.

6. Exhibitors are required to have their stock or other articles, intended for competition or exhibition, entered upon the Secretary's book, and placed within the enclosure, on the first day of the Fair, and remain until 3 o'clock on the last day, unless otherwise permitted by petition to the President and Secretary.

7. Upon the entry of stock or other articles, cards, with the number and class of said stock or article, will be furnished by the Secretary, which card must be placed on or attached to the stock or article to be exhibited for a premium.

8. Any person may present specimens of fruit and vegetables for a premium, whether cultivated by themselves or not, provided they establish to the satisfaction of the committee that the same was produced within Monroe County.

9. The Awarding Committee are respectfully solicited to be present in due time, that the Board may not be under the necessity of filling vacancies.

10. The Judges are respectfully requested to report themselves at the Judges' stand, on the Fair Ground, by 12 o'clock M. on the first day of the Fair, if possible, when they will be furnished with appropriate badges.

11. Premiums must be called for within 15 days after their award, or they will be forfeited to the Society.

12. Premiums will be paid by the Treasurer, upon the order of the President and Secretary, at his office in Woodsfield.

13. There will be a charge of 25 cents for admission within the enclosure, to persons who are not members of the Society. Children under 10 years of age 10 cents. Single horse, 50 cents; single buggy, 60 cents; 2 horse wagon or buggy, 75 cents.

14. No horse or other animal shall be exhibited in but one class, unless a separate entrance fee be paid for each class.

15. There shall be no riding or driving allowed within the ring, by any person, faster than a trot, pace or rack, under the penalty of being expelled from the ring and forfeiting their chance for a premium.

16. There shall not be allowed within the Fair Ground enclosure, or within the limits prescribed by law, any wagon, tent, booth or saloon, for the sale of ale, beer, wines, cider, or other intoxicating liquors, without a special permit from the President and Secretary, in writing.

17. No person will be allowed in the horse ring, during the exhibition of stock, except the Judges and Exhibitors.

18. The President will be designated by a white rosette; Vice President, blue; Secretary, yellow; Treasurer, pink; Directors, red.

19. A well-regulated police force will be in attendance to enforce the rules of the Society.

20. No article or animal to be entered in the name of any other than the bona fide owner, either by himself or agent. No person who is an Exhibitor can act as a Judge in the class in which he exhibits.

21. When there is but one Exhibitor, although he may show several animals in a class, only one premium will be awarded; that to be the first, or otherwise, as the merit of the animal or article may be adjudged.

22. If any objection is made to any of the Judges, it must be done in writing, addressed to the President, stating reasons, which he alone shall decide upon.

23. The Marshals will receive the animals or articles for exhibition, and place them in their proper divisions.

24. No premiums will be awarded unless the articles merit them.

25. The necessary expenses of the Fair will be paid first, and if there is not money enough to pay the premiums in full, a dividend will be made.

Entrance fee in all classes ten per cent. on the first premium, when the premium amounts to two dollars or more; if less than two dollars, nothing.
